### IS HANDWRITING ANALYSIS LEGITIMATE?

1. Why is handwriting being compared with fingerprints? (lines 1-10)

(iv) – Because both are unique to a person.

2. What proof did Srihari's research provide? (lines 1-10)

**Proof that handwriting is scientifically valid.**

3. How is Srihari's work for NIJ different from his work for the Postal Service?

(iii). **It focused on the identity of the writer.**

4. Srihari benefited from his work for the Postal Service. How did it help him?

Give two answers from the fourth paragraph.

(1). **He used the software he had already developed for the Postal Service**

(2). **The NIJ approached him thanks to his success at the Postal Service**
